To Everyone..

We do hope everyone had a fantastic Christmas and would just like to wish all members and supporters of the group a very Happy New Year.

Our plans for 2008

With a new year come new challenges. The first event we have planned is a concert of Musical songs planned for May. "Wicked Musicals" will include songs from West Side Story, High School Musical, Joseph, Mary Poppins and many more. For this concert we have also been in consultation with Steven Schwartz to gain exclusive permission to perform songs from his current hit musical "Wicked" and sincerely thank him for the support given.

Aswell as the concert in May we have our next show planned for November, an adaptation of the Hans Christian Anderson tale of the "Snow Queen" based on the BBC Film. As with "Wicked" we have been speaking with the Paul Joyce the Composer of this amazing interpretation of the story, along with Sony Music. PACS have been granted exclusive permission to perform this musical drama.

Funding...

To continue funding our group, apart from the subs paid each week, along with refreshments sold, raffles, ticket sales etc.. we have to continually find sources or ways of funding activities, so one thing we produced from our Oliver performances was a DVD which has highlights from both the show and concert. All our club members have asked for copies but we're offering them out to anyone who would like one. They are priced at £2.50 and all you have to do is call or e-mail us to reserve a copy. You'll find both our contact number and e-mail address at the end of this newsletter, and we thank you in advance.

High Drama..

Richard Mason, one of our volunteers and a prolific script writer..is working on his next Drama, for 2008, will confirm dates nearer the time. All proceeds from his performances go to Cancer Research. If you want to learn more about his work, you can contact Richard on:

Workshops....

From January we shall be offering our Workshops in Dance, Drama, Computer Music and Djing as part of our Monday night sessions. So if you're interested in checking out what we do and are aged between 10 and 18 our sessions are between 7pm and 9pm..come and check us out. After the first week s attendance you will pay subs which are just £1.50!

And finally..

Sincere thanks to everyone involved in Oliver, which helped to make it such a success and thank you in advance for the support you have offered to give during 2008. See you all soon.

The first sessions of 2008 will be on the 7th January
