Festival Fever..

As a group this year we have become involved with the Gainsborough Riverside Festival, an annual event, celebrating our community achievements, arts, crafts, childcare groups and charities amongst many other things..this will take place on the 7th June.

The first event we are organising to link in with this festival is the GXF Fest (Gainsborough's X Factor) planned for the 26th of April at the X Church (St Johns Church) on Ashcroft Road, in Gainsborough. We have been holding auditions for this throughout March and now have some great talent in the form of Dancers, Singers and Musicians who will be competing in this event.

Judging GXF Fest we have a Radio Lincs DJ, Councillor, former X factor contender, representatives from the Theatre Club and local operatics group.

The winners of the talent contest will have the opportunity to perform at the Riverside Festival's Live Venues which include; The State Club and Marshalls Yard.

Concert News..

Our Wicked Musicals concert will take place with three performances planned for the 15th, 16th and 17th of May. There will be plenty of songs from musicals performed as solo, duet and chorus pieces which will include songs from such shows as; Wicked, High School Musical and Mary Poppins, amongst many others. Our full on rehearsals for this begin on the 7th April.

Extra Sessions..

Beginning on the 19th April, once a month, we shall be offering open sessions for extra practices in Dance, Singing and Drama pieces, although this is to help our members, and it is something the club would like to see happen, anyone is welcome to come along and check out the plans we have and what we do as a club.

Although no subs will be paid at these meetings, drinks, crisps etc.. will be made available to all at the club prices.

Funding News..

First of all the club would like to express its thanks to West Lindsey District Council for their contribution towards our 2008 productions hire cost. We have been awarded a grant of £250 towards these. Anne Cater is still working hard for us, seeking out sources of future funding for our group. Outside of this PACS have also approached the Paul Hamlyn Foundation and Awards for All to secure further grants towards our Snowqueen Production planned for November this year.
